Hitachino White, Japan 12
Peroni, Italy 7

SAKE

Sawahime Junmai Ginjo - Inoue Seikichi - 16 4oz/36 8oz/100 BTL

Young Inoue toji (Master Brewer) from Sawahime believes to be a "true" local sake it should be made with local rice, local wells and yeast by local brewers.

This sake has subtle aromas of green apple, asparagus, melon and gardenia. On the palate comes fresh and pure flavors of melon rind, dried pear, cashew, white pepper and an intriguing herbal, eucalyptus flavor, finishing with crisp acidity.

Sakuragawa Futsushu - Tsujizenbei Shoten - 13 4oz/26 8oz/76 BTL

Tsujizenbei sake is from Tochigi, which is one of the top rice growing regions of Japan and is rich with abundant local wells. The well water for this sake is drawn from the original wooden framed well that is the centerpiece of this 16th generation brewery.

A delicate sake with aromatic notes of bright citrus, marshmallow and a slight herbal quality. The all natural brewing process gives a dry, full round mouthfeel with strong earth tones of mushroom, caramel and a hint of mint.

Gunma Izumi Honjozo - Shimaoka Shuzo - 10 4oz/20 8oz/60 BTL

Located in the eastern region of the Gunma prefecture, between the Tone and Watarase rivers, this traditional brewery prides itself on producing sake in small batches to maintain taste and quality.

This is a classic Honjozo with crimini mushroom, almonds and violet on the nose. The first sip of this sake is full of stone fruit and pure minerality followed by notes of caramel, cocoa and almond and finishes with plenty of umami.

CHAMPAGNE

Ployez-Jacquemart, Extra Brut Rosé , NV, Montagne de Reims - 75 **375ml**
